

HELP ME TO BE HOLY

D A Bm G A
Help me to be ho—ly, O Father of light;
D A Bm G A
Guilt-burdened and low—ly, I bow in Thy sight;
Bm G A
How shall my conscience gaze upon Thy face,
D Bm A D
Even though Thy presence grant me a place?

D A Bm G A
Help me to be ho—ly, O Savior divine;
D A Bm G A
Why conquer O so low—ly, this nature of mine?
Bm G A
Give to me Thy likeness, cleanse where Satan has been;
D Bm A D
Expel me with Thy brightness all my darkness and sin!

Chorus

G D A
Come Lord and sanctify your church
G D A
Created us in Christ to do good works
G D Bm A G
Which you prepared beforehand, guide our steps to walk in them

D A Bm G A
Help me to be ho—ly, O Spirit divine;
D A Bm G A
Come, sanctify me whol—ly this temple of Thine;
Bm G A
Cast out each idol, come set up Thy throne.
D Bm A D
Reign, reign without rival, supreme and alone!
